NEET syllabus 2021 - The National Medical Commission (NMC) recommends the syllabus for NEET-UG for all aspiring candidates. NEET 2021 syllabus will be the same as last year, clarified by the Ministry of Education (MoE). Download the NEET syllabus PDF below. Stay up-to date with NEET News NEET syllabus 2021 includes topics from Physics, Chemistry, and Biology Class 11 and 12 curricula. The NEET exam syllabus is designed after considering the syllabus of state boards, CBSE, ICSE, NIOS, COBSE of Class 11 and 12. Knowing the NEET 2021 syllabus will help students in the preparation for each and every topic. The intent of the NEET syllabus 2021 by NTA is to help candidates understand the topics to be covered in the NEET exam. To provide a fair idea to aspirants, the syllabus of NEET 2021 in the article has been divided into two parts - topics covered in Class 11 and topics covered in Class 12. As per the MoE press release, the NEET question paper will be prepared on the lines of JEE Main, where students have to answer 75 questions out of 90. So, as per the brochure, NTA has increased the total number of NEET questions to 200 out of which candidates will have the option to answer only 180 questions based on NEET syllabus 2021. The National Testing Agency (NTA) has announced NEET 2021 exam date is September 12.
