

I'm human

The No. 2 course at Pinehurst, designed by Donald Ross, is one of the most iconic golf courses in America, having hosted multiple U.S. Open and U.S. Women's Open Championships. The course will once again play host to the U.S. Open in 2029, 2035, 2041, and 2047, cementing its reputation as a premier destination for golf enthusiasts. With 196 acres of turf and 115,000 square feet of greens, the course offers a challenging yet rewarding experience for players of all skill levels. The course has undergone several renovations over the years, including a major restoration project, which has brought it to its current state. Some notable statistics about the course include: * Acres: 196 * Turf acres: 61 (up from 28 prior to restoration) * Fairway acres: 41 (up from 28 prior) * Green acres: 115,000 * Number of sand bunkers: 111 * Carts are restricted to paths, while push carts are available. * The course has hosted numerous prestigious tournaments, including the U.S. Open, Ryder Cup Matches, and PGA Championships. Overall, No. 2 at Pinehurst is a must-play destination for golf enthusiasts, offering a unique and challenging experience that will appeal to players of all skill levels.
