I'm getting: Uncaught ReferenceError: Luts is not defined at :1:5 When I enter that into gameiframe, edit: nevermind, I'm able to execute in the console:Luts['Currency'][\_0x2209('0x3d')]['add'] = function(\_0x136910, \_0x1ed633) { \_0x136910.s = 1;this[\_0x2209('0x2ad')](\_0x136910), \_0x1ed633);} But nothing happens... It seems like it's working, it doesn't appear to give any errors and looks exactly like the image you gave, yet I haven't noticed a change in any values. Though I am new to the game, perhaps it's a currency I haven't unlocked yet? Edit: Nevermind. I c wot u did thar. Awesome. Thanks. CHEAT 1 - 250 PRESTIGE BONUS Gives one time 250 prestige bonus. You will be able to select your color and ability. It's a consumable bonus that will help you progress at your current state of the game. It's not an item you keep and restore in different devices or reuse for free when you reset for an another world. CHEAT 2 - 5K PRESTIGE BONUS Gives one time 5.000 prestige bonus.
