2/9/2023. Our comprehensive guide will explore Google Cloud Platform in more detail. ** We also went over the different services in Google Cloud and did a case study in detail, which demonstrates how a real customer uses GCP. ** SimplifyX's Google Cloud Platform Architecture Certified course is also available. Training course on AWS/Azure/OCI APIs that technologies at Google Cloud are constantly evolving, and so has the traditional scope of the API Review session since the exam was first launched. As the role of APIs in the Google Cloud ecosystem expands and we introduce new API related products, it is important to keep up with those changes and reflect them in an underlying learning portfolio. 9/9/2023 in: Study Guide for Data Engineering on Microsoft Azure. Here is a comprehensive list of GCP material covering DP-203 scope & questions. ** All links are either from Microsoft or K21Academy blogs, I am just listing here. ** I will share links for hands-on labs as well. If you do hands-on then DP-203 both are easy-peasy to crack: Google Cloud Cheat Sheets. Our Google Cloud GCP cheat sheets were created to give you a summary of
