Show more Show less Sony Interactive Entertainment £ 44.99 Sony Interactive Entertainment, Insomniac Games and Marvel have joined to create an authentic Spider-Man adventure. This is not the spider-man you have met or seen before. This is an experienced Peter Parker who is more masterful in the fight against the great crime in the New York of Marvel. At the same time, he is struggling to balance the chaotic personal life and career of him while the fate of millions of New Yorkers rests on his shoulders. After eight years after Máscara, Peter Parker is an expert in the fight against crime. He feels all the power of a who experienced spider-Man with improvised combat, dynamic acrobatics, fluid urban crossing and environmental interactions. He is no longer a rookie, he is the most masterful spider-man that you have never played. The worlds of Peter Parker and Spider-Man collide in an original history full of action. In this new universe of Spider-Man, iconic characters of Peter and Spider-Man's life have been reinvented, placing characters known in unique roles. The great apple comes alive as the most expansive and interactive world of insomnia. Walk through neighborhoods and enjoy stunning views of the iconic attractions of Marvel and Manhattan. Use the environment to stop villains with epic shootings in a real box office action. Get the scoop on all the novelties of the Marvel's Spider-Man universe, through "New York", the iconic Daily Bugle.
