## Woodland preschool and childcare

The readiness of the school is not to start a formal approach to learning as soon as possible. Your child learns and develops mainly through the game. It can not be enough underlined how valuable game opportunities for your child are, allowing him to explore the world around them and make connections in their thinking that leads to a deep-level learning. All the positive experiences that children and children can receive contribute to being "ready for school". Supporting your child to become independent, communicative, nourishing and dressing, using the cabinet and knowing and understanding their needs is great preparation for later when these skills will be priceless. Children progress and learn at different rates and, I hope, they will demonstrate a wide range of unique skills that support their availability for the school within the time when Key Stage 1 (KS1) enters. However, we must be aware that "school readiness" is not about... be pleased to be able to sit still able to "line" be able to read to be able to write be able to count up to 20 be able to do the tasks of being able to tie the shoe laces from them as a parent are the most important and on-going educator of your son - support and encourage them with... Talk about similar, disorientation, feelings and emotions —use images and stories Dress up and feed, and use the bath Make nutritious choices and healthy drinks, especially water Be active every day—to run, jump, dance, hop and jump Explore the open air—look nature together Develop a love of books, stories and songs This information can be found on the KELS! website; Page 2 Our Aethos: Provide high-quality care and education for children Work in collaboration with parents to help children learn and develop add to the life and well-being of the local community to offer children and their parents a service that promotes equality and diversity values that we try to ensure that every child: is in a safe and stimulating environment is given generous care and attention has the opportunity to join other children and adults to live, play, work and learn together is helped to develop We promote the rights of children for them to be strong, resilient and listen, creating an environment that extends their interest and their knowledge. ST Arting At Pre-School First Days: we are very flexible when it comes to æ something in "Accommodation as every child is an individual. It is important for parents and pre-school staff to work together to help the child feel safe and safe in the session. This takes more time for some children than for others. What to wear: to feel free to explore and experience all kinds of materials, including those disordered, it is better to send children clothes in clothes that are easily washable and easy for your child to manage independently. They have to wear the top shoes closed at all times for safety reasons. The bridges and pre-school T-shirts of the wood are available for purchase from the pre-school, but are not mandatory. Foods and Drinks Snack Time: your child needs their drink in a named bottle or we offer water. Children are asked to bring a snack from home made of fruits or vegetables that will be shared with the group. Children select and prepare with the supervision of their snack that promotes independence. Drinking water: Drinking water is available throughout the day, along with your drinks to your Bottle children. Lunch time: Your baby is welcome to join us at lunch if they attend the morning session and they would need their packed lunch. The afternoon session begins after lunch so make sure you have eaten before they participate in the afternoon session. Lunch and they clearly lead. We encourage healthy health within pre school. Make sure your child's lunch does not contain walnuts and grapes / cocktail sausages are cut to avoid suffocating accidents. The costs until the end following the third birthday of your child, or for more than 15 hours a week after their Fees will be payable for preschool hours à the current rate is ££5.50 per hour. Invoices are issued half-term and are payable within 7 days of receipt. When you register your child in Woodlands, you will be given a tax policy to sign up for setting out the rules you plan to follow. Early Years Education: From the term following the child's 3rd birthday, he is entitled to 15 hours a week free preschool hours. At the beginning of each term, you will be given an EYE Parent form to sign on which you should note the hours the child is attending the setting, the hours you want to claim the grant for and whether the child is attending another setting. You can split your 15 hours between two settings. If you want to apply for less than 15 hours of grant per week, you cannot increase these hours during the term. If you want to take more hours before the start of the next deadline, it will be on a pay-to-pay basis. The increase in hours funded by the Fund has been increased from September 2017 to 30 hours per week for some eligible families. To request these hours, go to www.childcarechoices.gov.uk Allow about 20 minutes to complete the application. You will be given a code which you will then need to use in preschool when claiming funding.
