HISTORYIn August 1998, First Baptist Academy opened its doors to begin educating students. This school was founded to train minds, develop moral character and enrich the spiritual lives of all people who may come within the ambit of its influence. Now, more than 20 years later, FBA has expanded from serving Kindergarten through Eighth Grade students, and their families. More than 800 students have graduated from FBA and entered highly respected high schools in the greater Houston community. MISSION STATEMENTOur mission is to equip students with the TRUTH OF GOD'S WORD while developing their character, intellect, and potential to explore, create, challenge, and lead. Children are welcomed into a structured and loving atmosphere, where they flourish and grow. To support this familial atmosphere, we are committed to maintaining a teacher-to-student ratio lower than state requirements. Our play-based learning environment focuses on developmentally appropriate academics, Bible lessons, daily enrichment classes and interactive play. First Baptist Academy's Infants through Twos' classes utilize a fun and innovative, play-based, themed curriculum. Mother Goose Time is a nationally recognized Christian curriculum that nurtures the child's social, emotional, physical, and intellectual growth. Young children learn and develop through play which is incorporated into our daily activities. Age-appropriate enrichment classes include Music and Movement for Infants and Toddlers and Stretch and Grow for Twos. PreK3 and PreK4 classrooms utilize the Get Set for School by Learning Without Tears curriculum. This curriculum fully integrates early learning disciplines, developmental domains, and social/emotional learning into thematic units that are exciting and relatable to the children. In PreK4, students add-on lower case letters and sounds and learning the sounds those letters make, and learning the sounds those letters make, and learning the sounds those letters and sounds and learning the sounds those letters. case.On a weekly basis, PreK3 and PreK4 students participate in enrichment classes such as art, music, Spanish, technology, and library. Students also have a weekly Chapel time where they worship God through singing and listening to a short Bible lesson. PreK3 students attend a gross motor skills class once a week, and PreK4 students attend a physical education class once a week. During the extended day program, students have the opportunity to continue developing those gross motor skills through Eighth Grade Education through Eighth Grade is an intentional framework that provides advantages for both students and parents. First Baptist Academy helps students navigate the significant transition from childhood to adolescence. We wholeheartedly value this pivotal stage in a young person's life, fostering spiritual, intellectual, physical, and emotional growth. With an intentionally small student-to-teacher ratio, we offer a familial environment for children. This offers continuity and stability throughout their Early Childhood, Lower and Middle School years. It also allows us to know and love all students by supporting them academically which creates more confident learners. DEDICATED RESOURCESFBA students utilize our state-of-the-art facilities and are supported by highly trained staff to explore their interests, develop leadership skills, and establish a strong academic foundation in an age-appropriate environment. All resources are intentionally dedicated to producing an eighth grader who fulfills our Portrait of a Graduate. Our middle schoolers build their confidence and strengthen their character through intentional opportunities like chapel leaders, athletics team captains and student ambassadors. Starting in Lower School, our faculty works with each student to identify and develop their unique gifts through academics, athletics and the arts, resulting in confident leaders. Our Warrior Crew program pairs older and younger students, building strong connections across our student community. FBA students, along with their parents, benefit greatly from the opportunity to choose a high school when the student's strengths, learning styles and interests are clearly understood. By Eighth Grade, students are equipped to join their parents in the selection process for high school, fostering a sense of ownership and confidence as they prepare for the next stage of their academic journey. FBA's Middle School counselor helps navigate the high school application process offers a unique opportunity for Eighth Grade students to gain valuable experience in interviewing, writing admissions essays, and having a voice in an important decision-making process. We have been supporters of FBA for years, and there isn't another school option for our family, personally. Can't wait for all our children to be FBA Alumni! Christopher McLarty We love this school! We are members of Houston's First Baptist and when the opportunity presented itself to get our daughter in to the P2 program we jumped at the chance. We have been really happy with the teachers and the experience as a whole. Our daughter has learned so much in the 6 months that she has been there. They have been learning to count, their alphabet, and all the fun bible stories and songs we grew up with. I would highly recommend sending your children here! We love this school!
