As soon as the chapter starts to go straight the corridor it comes to the sign with the Cohen Concept Office indicated the right and the R & D and the point to the left. "Put the archives" "Surely something missing here." †"Henry for the absence of the valve. Before the player has to go leftHenry will find a closed door with a missing valve. The reader will then have to go back and go right towards the management office where the valve is located. Henry will return to the door and will turn the valve by entering a room with a statue of Bendy and some lost harvested around it. However, when the player opens the door of the archive, if he returns to the Grant Cohen office the player can find the inside of meat cooking some sausages on a barbecue. "Find the secret passage," "It's so that it works." Henry after publishing a book. From here Enrico will enter the archive directly (a round room with an indoor area). Here Henry must find 5 books sprouting from the shelves and push them back to turn on the lights over the output. At the center of the circular room, there is an audio register of Susie Campbell in the room, in which it emphasizes how Joey is trading, and even if Joey seems to have an opportunity for her, stresses that he has something special in mind For Joey (noting as Alice you don't love liars). After Henry pushed the book near the private door, the lost in front of the statue of Bendy will disappear. After entering at least three books, Henry suffers a short disturbance in which a scream disturbs him's vision, and the room seems to tremble. After a few seconds, Henry will come back to her. Â «Enter the Darknessâ» Once all books will be pushed into the door you will open and Enrico enters the cave. Henry will arrive at a bridge that needs a equipment to make it work. "Repair the bridge," "I can spend here if I find a way to adjust it." Henry talking about repairing the bridge. To get this equipment down a nearby corridor where Henry will find a level that reversed a tinazza of ink that turns the valve behind creates a swollen seeker with ink often above. Return the ink in the bridge area and insert it into the nearby Ink Maker, making sure to select the gear on the dial to the right of the machine before activating it. Take the equipment, put it on the bridge and cross the well. The bridge wagon will move alone at the activation, slowly between the point where Henry is located and the platform from the other party. Once the cart is close enough, clicking on it Henry will get on the Bridge cart. He will proceed to move slowly alone, before stopping in the middle, with dramatic music in the background. The bridge will move normally later. Once the end is reached, clicking on the wooden axes will go out Henry. He then entered Mineshalf, and will experience another disturbance in which the walls are covered by arms d 'ink that stretches and feel strange whispers. Reached the end of the room, twisted Alice starts talking with calling him a "galopino", saying that he is watching him a series of questions, before concluding. It's here for Boris. The dialogue ends, urging Henry to hurry. After climbing the stairs, Henry will enter the lounge with the background music of the turntable, and a Lost One that murmurs to himself to have been deceived and wanting to go home. The next room that Henry will be full of lost people, who can cross and take the torch, which Istighter Henry to climb through his mouth. If Henry goes back when he enters his mouth, two lost will block the road along with the black lounge pesto. As he climbs through the mouths, the first curve that reaches Ink Bendy to lay the eggs and jump on him, that he can't reach Henry, but seems to follow the finger on the door side before leaving. In the end, Henry will have to climb the stairs, where a sign indicates the sentence «as up and See me» is painted and an «almost There's painted on another part of the ladder. Top, Bendy's's mouth, there are sketches on all the walls, and on the table there is a Bertrum Piedmont audio register, which stressed its abilities as a world-renowned amusement park builder, but it was rather Troubled from the thing that Joey has reserved. Bertrum announced that you wanted to design Bendy Land, a themed park dedicated to Joey Drew Studios mascot. Beyond the table, there is a switch that will open the warehouse door 9. Entering the Storage 9, the lights light up. At the bottom of the stairs there is a switch that will open the warehouse door 9. Entering the Storage 9, the lights light up. At the bottom of the stairs there is a switch that will open the warehouse door 9. which emphasizes how warehouse workers continue to be closed out of the rooms and gives a suggestion on how to play mini- Games to open a door. Moving towards the entrance of the Haunted House he unlocks the next goal. A «Power the Haunted House» A «This haunted House he unlocks the next goal. A which emphasizes how warehouse workers continue to be closed out of the Haunted House he unlocks the next goal. Henry on how he has to feed the haunted house. This is a bit â € ™ elaborate, but simple to do. Next to the haunted house there is a switch under the electric box that leads to four different rooms in different parts of Bendy Land. To unlock the first room, Henry must play two of the mini-games (the stalls will unlock once this goal is received) until he received a passage sound. After unlocking the first room, Henry has to pull the ignition switch and then the ignition switch and ignition swit Design room, but if you do it before opening the first door nothing will happen. This will be delayed until the first of the power box is pulled. After playing the doorbell, Twisted Alice will see if Boris thinks when Henry takes his time to save him. In the room, Henry must distract the enemies of the Butcher by throwing empty cans of Soup in the necessary points. The room on the right holds the power switch you need Henry, a Lost One crying in a fetal position, and a Lacie Benton audio log, talking about how she is the only employee not complaining about her condition of Work, and his only concern is the disturbing mechanical demon (in the same room) that disturbs the heck outside her. The room on the left holds the switch to the door, which must be used to leave the room. Hit the switch corresponding to the Haunted House unlocks the next room. In attraction storage, Henry will meet a deceased Striker and an amusement park tour. Play the audio registry on the nearby table I trigger the boss fight against Bertrum. Henry must defeat Bertrum, using the ax (which Bertrum left after demolishing the table) inside that room to unlock the next power switch and to be allowed to leave the room. There is a Joey Drew audio log in the same room, and a henry switch needs to access the next part of the room. After hitting the switch, however, the projector will be aware of the presence of Henry and will hunt, even following Henry on the stairs. Henry must hit the projector disappear. Once Henry goes up the stairs to the way out, the projector immediately will come out and will hunt once again. Henry is safe inside the station, the projector is aware that Henry is safe inside the station, before the screen distorted one last time; this time, Ink Bendy bursts In the room and engages in a struggle with the projectionist, finally winning beheading The Projectionist. After throwing his head to the station, lake the station, lake a wall. After the projectionist away to a wall. After throwing his head to the station, lake a wall. After throwing his head to the station had a wall wall a wall surprise ... "â € "Twisted Alice who builds tension. The doors of the haunted house will open, and at the entrance, there will be the words "Back" painted on the wagon to proceed. In this way, twisted Alice speaks to Henry throughout the tour, observing how no one in the studio checks Joey Drew Studios and asking Henry what are the real reasons for him to come back. Towards the end of the journey, Twisted Alice concludes her speech by saving to Henry He's got a surprise waiting for him. The tour will enter the final room (which is the Ballroom), which has a clutter deck, a pipe organ, and an Ink Maker. At the last door is a dark room, and the cart is suddenly stopped by Brute Boris, now already In a fatigued creature. After throwing the wagon (with Henry in it) away, the battle of the Boss Brute Boris begins. Henry must dodge Brute Boris charging attacks, and collect ink blobs that Brute Boris will cash when he rests briefly before the ink disappears. He has to put them in the creator of the ink and produce a gent tube to defend himself. Every Gent tube has only a successful capacity, forcing Henry to do another success on Brute Boris. After a couple of shots, additional trolleys will enter the room, which Brute Boris will use to launch at Henry. To kill him, Henry has to hit Brute Boris three times with the tube. Dying will reset the number of shots, but it is possible that the materials of the ink maker remain functional if Henry has not already used them. While Brute Boris dies, twisted Alice shout with anger to Henry has not already used them. charged to Henry before being stabbed in the back from Allison Angel. After making collapse on the ground, Henry will face face with Allison and Tom, before the screen cuts to black, finishing the chapter. chapter.
