The very-excellent tower defense game, Bloons TD 6—normally \$5 on mobile—is now available for free on iOS and Android for a limited time. Even if tower defense games aren’t your scene, this one is going to suck you in with its combination of cutesy, monkey-themed gameplay and a decent difficulty curve as you get better at poppin’ those horrible balloons.Or, as Lifehacker’s senior technology editor David Murphy put it, “I wasted way too much of my summer climbing the ranks of the monkey army last year.” There are no caveats or hoops to jump through with this one. Open the game’s store page on the Apple App Store or Google Play and tap “install.” It’s free, but there’s no word on how long it’ll be free—so buy it now, and you can always decide to install or play it later.If you haven’t played a tower defense-style game before, Bloons TD 6 is a strategy game that puts you in control of a cast of cartoony monkey characters that act as defensive units, popping waves of balloons that increase in number and difficulty. Each stage features different pathways and types of balloon enemies, and players must use their limited resources wisely to create the best possible defensive formations possibleLike many contemporary games, Bloons TD 6 features in-app purchases, most of which are cosmetic items like skins and characters. That said, it’s completely playable without having to spend any money on it, since everything can be unlocked just by playing (and progression is quick). It should only take you a few stages of wrecking balloonny lives to accrue a solid chunk of XP to spend on upgrades and skins, and then you’ll be hooked. Forever. Andro-Mod » Games » Strategy » Bloons TD Battles (Mod) Bloons TD Battles – the infamous multiplayer tower defense strategy from Ninja Kiwi studio with expressive stylistics, cartoonish decorations and superficial storyline, centered around the war between monkeys and balloons. Snipers and submachine gunners, support specialists and even medics have already moved to the front, but the enemy is not asleep either - it is letting even more allies into defended positions. The situation is tense to the limit - the slightest mistake and the world will fall apart. Therefore, it is necessary to think over actions, develop a team and discover new heroes. Bloons TD Battles is one of the most famous tower defense games for Android mobile. You can install the original APK and MOD APK versions (Unlimited Medallions) of this game via the link below this article. Introduce about Bloons TD Battles Join Bloons TD Battles, you will experience many exciting battles with adorable monkeys and colorful balloons. In the battle of challenging with rivals in an equal match, who will win the victory? Let’s find the answer in the article below. Gameplay Bloons TD Battles is a classic tower defense game. Here, the two players will confront each other and try to destroy the enemy tower. Start the game, you need to choose the game mode, map and defense tower. Depending on the mode you choose, there are different goals that need to be accomplished. However, your main goal is still to destroy all balloons before they enter your stronghold. Each battle limits the number of balloons that can enter your stronghold. If the number of balloons exceeds the limit, you lose. Bloons TD Battles has up to 18 unique battles with 20 monkey towers. Each tower can be upgraded up to 8 times. Strength, defense and energy will increase with each upgrade. Players can quickly recharge the energy of monkey tower by using Monkey Tower Boost. When using this function, the monkey tower will attack faster over a period of time. If the player is experiencing Assault mode, the player can use Bloons Boost to help increase the power of the balloon when fighting the opponent. Control Controlling in Bloons TD Battles is quite simple. You just need to scroll over any monkey to let them move and interact. Roll over Super Monkey will help it use laser gun. For the monkey to attack, roll over to Sniper Monkey for them to aim and shoot. Besides the dramatic battles, Bloons TD Battles also offers more than 16 attractive special achievements for you to collect. These achievements are generated from the confrontation with the AI battles or online PvP match. Share them on Facebook to compete with your friends. In Assault mode, players try to crush his opponent by using balloons directly. Initially, the balloons will fly quite slowly. But from round 30 onwards, all balloons will increase by 20% speed per turn. Although the mechanism of this mode is offensive, players should not neglect the defense. Try to protect your tower from the opponent’s attacks. Starting in Defensive mode, players will be offered \$ 75. The task of the player is to find ways to increase defenses and survive as long as possible. By buy the increase income pack, the defense is also increased. Cooldown is also based on income increase. Players can increase their income to a maximum of \$ 3,000. In Battle Arena mode, players will be able to participate in the arena that competes with many other players around the world. When there are many medals, the rank of the player is increased. When becoming the best, players will receive special benefits. Upgrade your weapons As you progress to a higher level, the movement speed, number, power of the balls increase higher. If you use too weak weapons, you will not be able to prevent the wave of balloons rushing to attack your tower. Therefore, buy new weapons and upgrade them to increase defenses. Each victory will bring a bonus, you can use it to continue upgrading weapons. Some tips you may need Before each battle, you can preview information about the characteristics of the balloons that will appear. This will help you choose defensive towers that have an advantage against these types of balloons. Balloons will move more slowly and will be clustered in kink roads. You should arrange more towers in these locations to destroy them quickly. Unlimited Medallions: Medals are the main currency of the game, it helps you pay for shopping and upgrading activities.
