Feel free to drop in comments any additions you'd like to also see within this guide! See also MCRP Starter Guide & MCRP Websites Guide Chats /n Standing for newbie channel. This is a channel to use when you have questions about game mechanisms, etc. Remember however that things that should be figured out In Character should not be asked here as it will be considered metagaming if any IC info is used from the chat! /b Goes for basically the basic chat or OOC chat. This is a local chat to use for any OOC chitty chatty. However do not spam it up as people nearby can all see it also! /Pm [ID] [Message] Private messages! You can private message anyone online on the server with this command. /me [Action] A roleplay chat used for emotes and actions. This will show your character name up in chat before the emote. So for example: /me would wave her hand up in the air briefly towards the approaching group of people. Would show up as: *Anastasia Swann [ID] would wave her hand up in the air briefly towards the approaching group of people. /do [Action] A roleplay chat used for emotes and actions. This will show the text before your name upon the chat, used to usually reply upon others actions towards you or good also for describing things up. Example: /do Yes, you would be able to grab the wallet from her pocket. Would show up as: *Yes, you would be able to grab the wallet from her pocket. ((Anastasia Swann [ID])) /rdo [ID] [Action] Another roleplay chat, functioning like /pm yet is used for long range do's. Common in situations where later details of location are needed, or to for example inform corporation bank account access revokes, etc. Example: /rdo [ID] Would there be bullet casings still over at the crime scene? Would show up as: ~details coming later~ Phone & Radio /freq [number] Allows you to swap the frequency over your radio! /hangup Closes the current phone call. /phone Shows your phone-number in chat and opens your phone. Other Commands /helpers Allows you to see who of the helper team is currently online, also showing up their IDs in case you want to PM them instead for some help! /time Shows the current time, possible jail time and paycheck times of group/corp /respawn If you are downed you will eventually be able to use /respawn. With this however you will get the NLR tag. /quitjob With this you can quit your current signed job. This is an alternative way for doing so also from your Inventory (I) /profession Shows your professions, levels of them and the gained XP amounts! /professiontop Shows the servers jobs top lists, listing up players who have highest levels over the jobs! /selvehicle [ID] [\$] Through this command you can sell a vehicle. Ensure to be sitting inside the vehicle when using this command. As so it will then send it to the ID you put along with the money amount set. /acceptvehiclesale Accepts the offer of an vehicle for said price, from set person and for set vehicle /roll (Number) Rolls a dice from set number /a (animation) [1] This is a command for those who have donated for the server and have the donator animation perks. It's an alternative way for the donator animation menu in B -menu. The 1 after animation means that the animation won't cancel after few seconds automatically, but holds you in the said animation. Governmental Officials Commands /st [ID] Stops the tracking of set person /stoptracking Stops the current tracking of a vehicle/person Reactions: DingoZero, AstrayWanderer, SpaceboySpliff and 12 others Thank you LadyEm, really appreciate it Reactions: LadyEm Commands List Since it has been a lot asked, here you go!
