Diary entry format

Today you celebrate Independence Day at your school. But you are not satisfied with the attitude of people towards freedom. They consider that they are free to spoil the country and soil its image. Write a diary entry expressing your feelings.

Day, date	Friday 15th August, 20xx
Time	10.00 p.m.
Salutation	Dear Diary
Body	Today I'm just pandering over the condition of India. We are about to complete 70 years of independence. But where have we reached? Every year we commemorate the sacrifices made by our freedom fighters on this pious national festival, wave flags, sing patriotic songs and show off our patriotism by posting patriotic images on social media and the very next day we discard those flags in the drains. When I see the heaps of garbage everywhere, small kids working as child labourers, people dying because of lack of food or medical treatment, discriminating against women, I feel ashamed of myself.

your primary, secondary to your university education, you are almost always asked to tell a story through the writing of essays and your essay or writing assignments would generally implicate a story of your personal experience before you ask you to go forward to other themes. Try "Rack" or get something from what you can remember that it would correspond to the prompt you have selected so that you can personally tie your personal experience with it. If you soon learn to write a good narrative at school, you have more than a good possibility of managing different situations in almost all professionals, as well as receiving good votes. Read the writing instructions that have been assigned to you and read carefully because it will allow you to consider the duration of the essay that your teacher or professor has assigned. Otherwise, the task will be more difficult than it should be, and it is more likely that you do your best work programs when you like the topic you have chosen and when you can't wait to get your narrative said. The topics include fractions, geometry, addition, subtraction, multiplication, division, graphics, measurement and more! Whether it's 3rd grade, fourth or fifth grade, there are various resources that you can take advantage of. Use specific language to evoke specific emotions and senses in the reader. Childhood experiences can inspire good narrative essays. Some students dread the idea of narrative essays, not because they think it's not cool but because they can be very personal and therefore difficult to write, in the sense that simply recalling some bad experiences can be rather painful. The memoir was littered with the author's anger, longing, and sadness but also an enduring zest for life despite his condition, wherein he opens with Through the frayed curtain at my window, a wan glow announces the break of day. Narrative essays come with a thesis sample statement, no matter how personal they are. Until these stories make sense of our world and until we share the same understanding of the world we live in, and the time we're living it at. It allows students to freely express themselves in creative, touching ways since it tells a story to make a point because it all boils down to storytelling as one of the most basic ways people communicate their experiences with each other. Various academic disciplines use narratives, so learning how to write them properly cannot be emphasized enough. In homes, no matter what they're made of. In the academe, and real-life professions, narratives can be useful for communicating important ideas. Don't forget to have fun and enjoy the whole experience. Sample outlines and one draft after another are fine because if it's missing something, chances are, you're right. However, narrating a story Äboard through writing is usually considered an academic practice. On the roads and the streets no matter where they lead a stranger. You may think you have had enough of writing anything biographical, but a narrative essay is one way to practice the art of telling stories so that you can also develop the skill for field research analysis, and your .etonyeK .etonyeK)CAM(elppA ,)IA(rotartsullI ebodA ,srebmun elppA ,rehsilbuP tfosorciM ,)STEEHSDAERPS(steehS elgoog ,enigaP)CAM(elppA ,)LMDI & DDNI(ngiseDnI ebodA ,)TPP(tnioPrewoP tfosorciM ,scoD elgoog ,)DSP(pohsotohP ebodA ,)SLX(lecxE tfosorciM ,FDP ebodA aro aciracS - etalpmecT & scoD ,itnorP ittegorP +000.001 .ovitarran oiggas nu erezircs af asoc occE .ehcitsirettarac ertla e Ätivarg al ,elos lad aznatsid al ,enoizisop al Ä ehc ivircseD .atlov alla arettel ecilpmes anu avatted e ,atset ni etnemaretni äylfrettub eht dna lleB gnivid ehTä airomem aus al esnuigga e esopmoc ybuA .itnatripmi itnup iam eredrep noN .inoizarta e ilarutan esrosir ,Ätivc idnarg onos ehc ivircseD .anaiditouq aznetsise artson alled etrap af ortla'l nu'l eralrap ©Ähcrep etnemlarutan eneiV .otassap ni osseccus Ä ehc olleuq eratnoccars id irtla ilg rep odon ebberas ic non ,itanetna imirp irtson iad etatnoccars eirots el rep otats essof non eS .ottaffa non o onacsonoc is eneb otnauq atropmi non ,enosrep ella etatnoccars onognev eirots eL .Ätivc alled abla'lled amirp ehcna eirots odnatnoccars omaits iC .etnemaivvo e orucis odon ni otnussa eresop non otnup li ehc onem a ,ortla'lla otnup nu ad otunetto eteva emoc ilos ad acsipac erottel ortsov li ehc ivetattpsa noN .atlecs id Ätrebil erpmes acifingis non etraÅ .oiggas li ottut ni osicnec e oraihc oiggaugnil li erazzilitU .erottircs ollied atsiv id otnup li osrevartta atsefinam is odnauq etnedive ¹Äip atnevid osseps oiggas id ipit itseuq ni Ätivitaerc al ehc olos Ä .inoizartta ilapicnirp el e hcifargoeg ehcitsirettarac el ,ilarutan esrosir el ,aera'l ,enoizalopop al onovircsed itneduts ilG .osselpmoc ous len eznetepmoc
