In the whimsical world of Toca Boca, tiny treasures called "crumpets" await discovery. These colorful creatures tend to be unexpected spots, like under manhole covers or inside tree trunks. But with a little creativity, players can even summon them using special items and recipes. To help you collect these adorable critters, this article will guide you through the process of creating crumpet recipes and finding their hidden locations. In Toca Boca's world, certain mascots possess unique powers that allow them to conjure specific crumpets. To do so, players must gather specific items, place them in the Storage Areas, and have the mascots hold each item according to the recipe. Here's a step-by-step guide to creating crumpets: 1. Gather the required items from their respective locations. 2. Collect these items using the appropriate tools or objects. 3. Bring the collected items to the Storage Area. 4. Place the items near the Mascot, ensuring they hold one item in each hand according to the recipe. 5. Wait patiently for the crumpet to materialize. With over 20 secret crumpets waiting to be discovered, players can experiment with various combinations of items to unlock new creations. Each mascot has its unique abilities, allowing them to craft specific crumpets that others cannot.
