Cheng & Tsui’s Chinese textbook series is new, revised, and better than ever! The third edition of the Integrated Chinese Workbook has been updated to meet the needs of today’s students with a new, clearer and user-friendly design, updated vocabulary, more communicative tasks and open exercises and more authentic materials throughout. This workbook offers an individual graduate practice for the four skills of listening, speaking, reading and writing. For maximum teaching flexibility, each lesson is divided into two parts corresponding to the two sections of the lesson in the textbook. Recordings for the listening exercises are available on the built-in Chinese audio CDs. The workbook of the third edition includes many spoken and written exercises that simulate everyday life with topics and topics relevant and personal to each student. The new revised exercises reflect the language used in real life and the building skills that students need to communicate in today’s rapidly changing world. The Chinese Integrated Series is a two-year course that includes textbooks, workbooks, font workbooks, audio CDs, multimedia resources and teacher resources. Student materials are available in both simplified and traditional versions. With its emphasis on practicing a wide range of written and verbal communication skills and building cultural understanding, Integrated Chinese is ideal for students who want a complete grounding in the Chinese language.
