Here are some beautiful thesis awards from different writers. Thesis recognition Å ¢ ¢ Å ¯ "Champion 1 This recognition sample is presented by the University of Illinois University graduate. You can check the complete sample of the thesis here. University: University of the University of Illinois CollegeAuthor: SampleFull Tesi Champion: This project would not have been possible without the support of many people. Many thanks to my consultant, Laurence T. crawlmen, who read the my many revisions and helped to make a certain sense of confusion. Moreover thanks to the members of my committee, to Joseph Green, GL Foreman and Celia Barra, which offered guide and support. Thanks to the University of the University of Illinois graduate, to assign me a Fertilization of completion of dissertation, providing financial resources to complete this project. And finally, thanks to my husband, my parents and the numerous friends who have I see Reta this long process with me, always offers support and love. Thesis recognition Å ¢ ¢ Å ¯ "Champion 2 This brief recognition was written by Christopher Sauto from Edinburgh University for its thesis. You can check the complete sample of the thesis here. University: University of Edinburgauthor: Christopher Sipolafull sample thesis : I would like to thank my Nigel Goddard supervisor, as well as Mingjun Zhong and Chaoyun Zhang, for their guide in this project. Example of Thesis recognition Å ¢ ¢ Å ¯ "Champion 3 This brief recognition was written by Matteo Brillinger from the Ottawa University for its thesis. You can check the complete sample of the thesis here. University: Å ¯, University of Ottawaaaaauthor: Matthew BrillingerFull Tesi sample: Joel Westheimer was a teacher, mentor and ideal supervisor, offering advice and encouragement A perfect mixture of intuition and humor. I am proud, and grateful for, my time works with Joel. Sharon Cook taught the course I wrote for the first time on educational parks, and Lorna McLean taught the course I wrote for the first time Park planning in Berkeley. This thesis is based on the work done in these courses, and many of the ideas of him have been developed with the help of Sharon and LornaÅ ¢ ¢ s. I was very happy when Sharon and Lorna agreed to be on my commission thesis. Agata Soroko is a colleague of inspiration, with a path that I followed my thesis in writing. The members of the U.C.L.University in Ottawa inequality project included a series of useful observations and suggestions. Christopher Harter and the other staff of the Amistad Research Center made my search for both productive and fun archive. Many thanks to my parents and children. Imensa gratitude as always to Carol for the patience and support of her. Example Recognition for a sample Thesis 4 Universities: Å ¯, Columbia UniversityAuthor: Julien San Reimanfull Thesis Example: . PDF countless people supported my effort on this essay. Professors Elizabeth Blackmar and Mark Mazower provided precious feedback on my analysis and framing, sometimes respond to late night emails and early morning. Several other professors gave useful advice as I wrote, including Manan Ahmed and Mark Cares. In particular, I want to thank Professor Anupama Rao. The course of Bombay and the urban imaginary of him took me to Columbia of the University s Unrra Papers, and his encouragement to write this thesis made me certain that the theme was worthy of my Investigation ¢ and that my survey was The theme worthy. They are in debt even to several Columbia students. Graduate scholars Kellen Heniford, Divya Subramanian, and Sohini Chattopadhyay helped me find my foot of how I started this process. Dore Feith read this piece four times, and her attentive eye of her and the knowledge of foreign affairs of the 20th century has pushed me to be the most honorable historian I could be. Tips Libby Kandela s also places between the rows of this essay. Finally, my family deserves infinite gratitude: my father to me to appreciate the story and narration, my mother for teaching me how to write with a concise purpose, and my brother for teaching me that a statement of dominance is not necessarily one Negative thing. To my family, I do everything, including this. AUCTION EXAMPLE FOR TESI A sample of 5 universities: Å ¯, University of Ottawaaauthor: Heather Martinfull Thesis Example: Thanks to my supervisor, Dr. Holly Johnson, for patience, driving and support. I have taken great benefits from the heritage of knowledge and meticulous change. I'm extremely grateful that you took me on as a student and continued to trust me over the years. Thanks to my members of the Commission, Dr. Shoshana Magnet and Dr. Denise Spitzer. Your encouraging and thoughtful words, detailed feedbacks have been very important to me. Thanks to the respondents, who have thus generously taken out of their times to participate in my research and make this project possible. Thanks to Margot Charbonneau, coordinator of operations at the Institute of Feminist and Gender Studies, for all kind words and the assistance you have provided. Thanks to my parents, Marilyn and Gerry Martin, for your endless support. You have always distinguished me behind me, and this is no exception. Mom, thanks to put on the field a ridiculous number of phone calls, for me by calming, and for the correction of drafts, anytime, anywhere. Dad, thank you for all your love and to always remember the ultimate goal. Thanks to my sister, Lori Martin, to always be there for me and told me that I'm impressive even when I didn't feel like that. Thanks to Donna and Steve Taylor, for Your generosity and overwhelming to look like one of your own. Thanks to my partner, Andy Taylor, for constantly listening to me things Rant and speak out, for the correction of drafts plus and more times (even after long days of work and in difficult times), for cracking jokes when things what's this Too serious, and for the sacrifices you have made for me to pursue a master. Thesis Recognition Example, a sample 6 universities: University of Ottawaaauthor: Guillaume Thekkadathfull Thesis Example: Recognize generous financial support from natural sciences and engineering Research Council of Canada and the University of Ottawa. I am in debt with my supervisor, Jeff Lundaen, for the constant guidance of him and an infinite supply of fascinating projects. Him approached him unpretentious to research and science is a source of inspiration. This approach is reflected with its simple but style of clear writing, which is something I hope to carry out all my career. Gratitude I recognize the Help of Lunden Post-DOC laboratory, Lambert Giner, whose automated Labview codes. My experiments. In reality, computers have done most of the work in this thesis (they never get their credit cause). I also had the pleasure of working with Rebecca Saaltink, who kindly showed me the strings of her cloning apparatus. I am fortunate to have been part of the group of seeks. Thanks for the fun pumpkin games of Kashif and Shayan, and thanks to my OfficeMates for the lively physics conversations (especially Akbar, which always has difficult but simple questions). It is important to find a balance with life outside the dark depths of the laboratory. As such, I cannot emphasize enough the importance of my weekly retreat Hoolination with friends. Above all, I am grateful for unconditional support, unequivocal, and loving my family ¢ s. Thesis recognition a sample 7 universities: Author: Bruno Buchbergerfull Thesis Example: A sincere thanks go to Professor Wolfgang GrÅ ¯bner to drive this work. I also thank my colleagues at the Innsbruck University Calculation Center, Dr. H. Knapp, and G. Margreiter, for many precious programming suggestions. Example of thesis recognition a sample 8 university: the sample thesisauthor: full thesis sample: I would like to thank Dr. Jones for its precious assistance and leading in-depth analysis of the drafting of this document.
