The shield of god

A Most Christians believe their problems are too big and God is too small.Â € Dr. Bob Beltz Mena s bible study years ago, Dr. Bob Beltz, author, pastor at Highline Community Church, Pastor former Teaching Cherry Hills Community Church and former spiritual Advisor to the multi-billionaire Phil Anschutz, said a majority of Christians believe that their problems are too big and God is too small.Â € We are writing a series of articles on spiritual warfare to encourage Christians to update their awareness of the cosmic Battle are engaged in and the enormous power that God has to protect them in their daily lives. The Bible says that Christians can be protected against and overcome Satan and the forces of darkness by putting a full armor of Goda Â € because each piece has a divine power to demolish strongholds.Â € Remember that Pastor Parker Acute Baptist Fellowship reminds A Â € Christians we believe in a personal God.A Â € He continues with the Bible also teaches that a personality lies behind the evil in this world. The devil is as real as God, even if it's not the same Goda | he, like us and like all the angels, is a created, dependent upon God for the continued existence of him. But for all that, never forget that he is also a personal being. He communicates with us, after a fashiona | h and can develop specific strategies for individuals. There are people in which he takes particular interest. And it's constantly looking for those whom he may devour, metaphorically speaking.Â € Â € To fight Satan, the apostle Paul instructs Christians to put on the full armor of God, SOA | you may be able to withstand the your ground, and after you have done everything, to Standa (his divine power). To this day, we published Spiritual Warfare articles on the following topics: a Part I, what you need to know about Satan and his A Â € SchemesÂ € Â € Part II, how to take your stand against the Davila's diagrams the belt of Truth on the breastplate of As Justice remain steadfast after putting on the armor of God, part III, the whole armor of God in the Gospel of peace If you didna Â € t have a chance to read them, they can be found in our series Spiritual Warfare. The purpose of this article is to help you understand how to put on a The Shield of faitha Â € t so Satan Cana is derailed by becoming a mature Christian or to be effective in building Christa's Church The Great Commission (Matthew 28 : 16-20). And for those who want to build and conduct a Kingdom business it would be wise to know the enemy and how to defend against Satan, or he'll make your life miserable. B. putting the Shield of Faith In addition to all this, take up the shield of faith, with which you can extinguish all the fiery darts of the wicked one.Â € Ephesians 6:16 It's our faith, it does not need, you moves God. Hebrews 11: 6 tells us that without faith it is impossible to please God, because Â € he who comes to God must believe that he exists and that he rewards those who earnestly seek him.Â € a faith is taking God at His word and to act on it! The Roman shieldÂ € Â € scutumÂ € it was not shield Â € Â € medieval-esqueÂ € normally most represented in their minds after hearing the word. It was however very large, slightly curved rectangular shield with a large knob in the center (called a boss). The scutum was an impressive line of defense. Because of its size (some were three and a half feet in height and almost three feet in width); soldiers were given a great amount of protection from enemies. Because of its light curve, he was able to deflect attacks without transferring the entire assault force to the man holding the shield. Because of his head, was able to deflect the blows and even more unpleasant function Â € a limited offensive capabilities as a means of A backwards Â € opponent (from the Bible study guides to freebiblestudyguides.org). Faith is based on unquestionable truth and is real. The Bible says it is, Â €, Faith is the substance of hoped things, La La Of things not vistaÂ € Â € ~ (Jews 11: 1). He considers that Â € Â € substantance Â € ~ is concrete, and Â € Â € "Lavidence" is a solid test. So faith is not a feelings based emotion, but reality. Â € Â € ~ "To have been saved in this hope, but the hope that it is seen is not hope; why someone still hopes for what he sees? But if we hope for what we do not see, we expect it impatiently with the Perseverance ... (Romans 8: 24-25). Â € Â € ~ "It is based on solid tests, which do not mean faith comes naturally or easily. Paul here makes the point obvious but necessary: I don't hope for what you already have. Faith entails a huge element of trust. We must examine the tests and see that God has proved immutable and coherent, and therefore we must firmly believe that he satisfies him promises to us. Â € Â »The following are five characteristics of the shield of faith: the shield is the first line of defense. Parker says that the shield is Â € Â €, ~ "used by the Romans to avoid the burst of opening from the enemy. Using arches or catapult, the enemy shooting flaming arrows, throwing fire balls. Fling Rough metal darts covered with tone and fireplace , all in order to overwhelm the other side, to create chaos and confusion. Â € Â »The devil seeks you do the same thing for us and the church. Just look at the burst of lies and attacks on the church of Jesus Christ today. Â » Â » "From that moment in Jesus, he began to explain to his disciples who had to go to Jerusalem and suffer many things by the elderly, bad priests and teachers of the law, and that he must be killed and the third day he will be raised to life. Peter led him. aside and began to reproach it. Â € Â €, ~ Â € "Ever, Lord! Â €, Â €, " he said. Â €, "This will never happen to you! ~ Â € "Get behind me, Satan! You're an obstacle to me; you have to mind the things of God, but the things of Men Â €, Â € "e Â € "e (Matt 16: 21-33). Jesus not reproached Pietro, but Satan who was trying to be him and Peter to disobey God. A shield protest. Â € Â €, ~ "Therefore, since we have a great priest who crossed the heavens, Jesus the son of God, we keep firmly to the faith we profess. Why don't we have a high priest who is not able to sympathize with our weaknesses, but we have one who has been tempted in every way, just like we are ... still without sin. We therefore approach the throne of grace with confidence, so that we can receive pity and find grace to help us in our time of necessity. ... Â €, ~ (Jews 4: 14-16). A Deflects shield. The faith in God and its promises causes Satan "Freceoffining arrows" to bounce, not able to penetrate into our mind and soul. Â € Â €, ~ "Because God wanted to make the unchanged nature of its very clear purpose at the heirs of what was promised (those who believe in Christ), confirmed it with an oath. God made him so that, by two immutable things in which it is impossible for God lying, we who fled to take the hope offered by us can be considerably encouraged. We have this hope as an anchor for the soul, firm and safe ... Â €, ~ (Jews 6: 17-19A). A shield can unable the enemy. Â € Â €, ~ "Jesus said to him, Â € Â €, ~ Â €, Â » from me, Satan! Because it is written: Â € Â €, ~ Â € "Worship The Lord your God, and serve only. Â € Â »Then the devil left it, and the angels came and attended us ... (Matthew 4: 10-11). There is strength in a number of shields. Â € Â €, ~ "The army Romano had an inventive and very effective tactic that used their great shields. When the enemies would start the arrows to shoot and other bullets to the army, the soldiers close up in a rectangular array - called Testudo, or Â € Â €, ~ Â € "Tottoise," Training "and those outside they would have used theirs Screens Create a wall around the perimeter. Then those in the middle would increase their shields on their heads to protect everyone from missiles The result was a formidable human tank that could only be stopped through a tremendous effort ... (the Bible study guides). Â € Â €, ~ "Although one could be overwhelmed, two two defend themselves. A cord of three strands is not quickly broken ... (Ecclesiastes 4:12). Sometimes God tries our faith by allowing the devil to tempt us. Pastor Parker notes that in each of the following cases where bad things happened to good men in Scripture - Â € Â €, ~ "was a direct result of God that consente.Â » Job ~ Â € Â €, ~ Â € "e Â € Â € ~ "the fear of the work [you] for nothing? Â € Â » said Satan. Â € Â €, ~ "you have not put a hedge around him and his family and everything he has? You have blessed the work of his hands, so that his flocks and herds him spread throughout the land. But out his hand and strike everything he has, and surely he will curse you in the face. Â € Â »The Lord said to Satan, Â € Â €, ~ "a" well, then everything that is in your hands, but on the man Himself does not lay a finger. Â » Â € ~ Â € ~ (work1: 9-12). Christ Â € ~ "Â € Â € ~" Jesus was "a, a, by the Spirit into the desert, where for forty days he was tempted by the devil" 4: 1B-2A). Peter - Peter was allowed to be sifted as wheat. Â € Â €, ~ "A Simon, Simon, Satan has asked to sift you as wheat. But I have prayed for you, Simon, that your faith may not fail. And when you came back, strengthen your brothers ... 22: 31-32, Luke). Parker asked, Â € Â €, ~ "What does this mean for you and me? Well, at least it means that we should not be shocked when we are attacked by the Devil. It does not mean that God has forgotten us. Nor Â € means that we are doomed. In Indeed, these stories tell us that Satan's attacks are part of God's plan for each of our lives. Think of it like this. None of these men would know that God's victory had not suffered from God, no one would know that the power of God if it were not the end of his strength. Â € Â »Â € For the battle is not yours, but God (2 Chronicles 20: 15b). Parker continued, Â € Â €, ~ "For me, the interesting thing of these three stories is like anyway Satan uses the flesh [the sinful nature "true Christianity See part I] as its avenue of influence ... when the devil comes with his sgradi suggestions if we encourage you with our desires or let us scrub with our fears, our nature car nal immediately agrees with the idea of him ... The only way that we know when Satan is trying to influence us is when we develop a sense of right and wrong so we can immediately identify the source of all the suggested actions. We need to know the character of God [and] culture so well that whenever a suggestion [thought or fear] opens our minds, we can immediately know whether from above or from below ... which brings us to the shield faithful. Often, Satan throws ideas of him to us by a long open road. The shield of faith allows us to offer them on. Â € Â »The Â € Â €, ~Â € freceffiamminanti of evil" are not ordinary temptations. Pastor Parker says that "I" things that suddenly appear out of nowhere to pierce and penetrate and torment the soul. "Satan is a being intelligent. Martin Luther, the great reformer, I was fighting with Satan. The spiritual battle was so real that Luther picked up a full of black ink ink and threw it and schizza" against a white wall. He rifiutA" to paint the wall as a reminder of how fierce the spiritual battle against the wounded on fire the wicked. Satan knows how to shoot his flaming arrows in your vulnerable places. These include, but are not limited to: anything to make you disobey God. Why Â €, ~ because the blessings and protection of God are linked to your obedience to him. Â € Â »And the Lord God commanded the man, Â € ~ "You are free to eat from any tree in the garden; but you must not eat from the tree of knowledge of good and evil, for when you eat surely die. ... Genesis 2, 16-17). Â € ~ "See, I put before you today And prosperity, death and destruction. Because you command today to love the Lord your God, walk in the ways of him, and to keep the commands, decrees and laws of him; Then you will live and increase, and the Lord your God bless you ". This day I call Paradise and Earth as witnesses against you that I Set in front of life and death, blessing and curses. Now choose life, so that you and your children can live and that you can love the Lord your God, listen to the voice of him, and keep it tight. For the Lord is your LifeÂ € Â € | Â € (Deuteronomy 30: 15-20) .Â €, now everything has been heard; Here is the conclusion of the question: Themes God and observe the commandments of him, because this is all [duty] of Mana (Ecclesiaste 12:13). Every power in heaven and on earth was given to me . So go and do disciples all the peoples, baptizing them in the name of the father and the son and the Holy Spirit, teaching them to everything Obey that I commanded you. And here, I am with you every day, up to the end of Agea (Matthew 28: 18-20) .Â €, Jesus replied: Â €, if one loves me, will observe my word. My father will love him and we will come to him and we will take home at him. Who does not love me does not observe my words. These words you feel are not mine; They belong to the Father who sent Mea (John 14: 23-24). Blasphemous thoughts. What happens if there is no God? God does not love you. God is not good. Would it be a good God allow all this pain and suffering? (Remember god delegate dominion on earth for man, therefore, everything happens here on earth is mana responsibility see genesis 1: ... 28-30 critical and thoughts of hatred on you and others leading to breaking Communion with God and man. Â €, my command is this love one another as I loved Â € youÂ € Â € (John 15:12). The thoughts of lust, anger, revenge, or the desperation that Parker says are a degree of burning themselves deeply in your soul, and all of them weaken its ability to resist any strategy that (Satan) plans Next.Â € sudden fears, anxieties, panic attacks, A deaf feeling like nothing is right, especially with God. Medical attacks, as in the case of Job. Tell discussion of the inspiration and authority of Bible, or the divinity and sacrifice Vicario di Cristo in your name, or Your salvation by grace, by faith in Christ only. Martyn Lloyd-Jones, influential ne The reformed wing of the British evangelical movement in the 20th century and, fo R almost 30 years, Minister of the Westminster Chapel in London, states that a faith in a shield of means FaithÂ € Â € Application of what we believe as an answer to everything That I scally the devil to us.Â €, of course our faith is in God, it is not the shield. Parker states that in virtually this means that as the devil throws us bad thoughts our way; We turn again with a quick application of enjoying truth.Â € Â € if you feel your faith is weak, confesses to God and ask him to increase your faith. Â €, everything is possible for those believers.Â € Â € father immediately the boya exclaimed, Â € Â € I believe; Help me overcome my incredulitA Â €, Â €, (Mark 9: 23-24)!. Faith is a gift of God and is one of the ways he prevents us from being proud of above what a WEA do or have done. A for the grace that you have been saved, through faith A and this does not come from you, it is the gift of enjoying not for works, so that no one goes away. We are in fact enjoying the invoice, created in Christ Jesus to do good works, that God has prepared in advance for us by Doa (Ephesians 2: 8-10). As Christians, our life is destined to be a strategic partnership with God. He needs us to make his finality and plans summarized in the great commission (Matthew 28: 18-20). We need him to give us a lifetime to him and to protect us. As in any team Requires, as my friend Dave Pyle taught me a statement of interdependence on every forgiveness between in this case, God has already made a declaration of interdependence up We are his only plan to do the job. There is no back-up plan. So now, up to each of us, to make a declaration of interdependence about him and son of him, the Lord Jesus Christ! Please read John 14, 15 and 16. Always remember that the armor of God allows you Â € Â €, ~ Â € "Stand against devilÂ € Â €, ~ because" they have the divine power to demolish the strongholds ! Â €, Â €, ~ C. Below is a short action plan: read the Bible regularly so that the Holy Spirit can Â € Â €, ~ Â € "Remmind You" of which writing he says during the attacks of Satan, 2 Corinthians 10: 3-5 . Obey writing in your daily life, see the verses above. Allow the Holy Spirit to sanctify and teach you obedience, 1 Peter 5: 8-9. Â € Â €, ~ "System the devil, and he will come to you (James 4 : 7). Now if we died with Christ, we believe we will also live with him ... (Romans 6: 5- 8). To succeed in sanctification, rely on the power of Christ living in you: Â € Â € I was crucified with Christ and I don't live anymore, but Christ lives in me.
